

ABHISHEK VERMA

Flutter Developer

✉ abhiverma9769@gmail.com ☎ 6386955657 📍 Lucknow, Uttar Pradesh, India 🌐 github.com/abhiverma9769

OBJECTIVE

Flutter Developer with 1+ year of professional experience building scalable cross-platform apps for Android & iOS. Skilled in GetX, Provider, Firebase, and REST API integration. Strong focus on clean architecture (MVC/MVVM), responsive UI, and Agile delivery.

PROFESSIONAL EXPERIENCE

Junior Flutter Developer, Cloudemy - Working on cross-platform Flutter applications with responsive UI and API integration. - Managing application state using GetX and implementing scalable architecture patterns. - Enhancing existing modules, fixing bugs, and improving overall app performance.	02/2026 – Present Lucknow
Junior Flutter Developer, Fusion Code - Built & shipped 3+ production cross-platform apps (Android & iOS) using Flutter with GetX & Provider state management. - Integrated RESTful APIs and Firebase (Auth, Firestore, FCM) for real-time data and push notification features. - Optimized widget rendering & lazy loading, improving app launch time and scroll performance significantly. - Delivered pixel-perfect, responsive UIs in Agile sprints using Git/GitHub for version control.	05/2025 – 02/2026 Lucknow

PROJECTS

Admintree, HR and Business Management App [🔗](#)

- Developed HR and employee management application using Flutter and GetX.
- Implemented attendance tracking, payroll management, and leave management modules.
- Designed secure role-based dashboards for employees, HR, and clients.
- Improved internal workflow efficiency through automation of business processes.

3 Click, Role-Based Job Portal App [🔗](#)

- Built a role-based job portal application using Flutter, Provider, and Firebase.
- Implemented separate flows for Employers, Employees, and Agents.
- Integrated push notifications and REST APIs for real-time job updates.
- Designed responsive cross-platform UI ensuring smooth user experience.

LMS - Learning Management System, Flutter | Firebase

- Implemented Google Sign-In with role-based access (Admin/Student).
- Built Admin dashboard with course, video, and quiz management (CRUD).
- Integrated YouTube and Firebase Storage for content delivery.
- Developed quiz system with automatic scoring and result tracking.

TECHNICAL SKILLS

Programming Languages
Dart, C, HTML5, CSS3

App Development & Integration
API Integration, Push Notifications, Local Storage, Flutter (Cross-platform App Development), RESTful Authentication Flow APIs

Backend & Database
Firebase (Authentication, Firestore), Supabase

State Management & Architecture
GetX, Provider, MVC, MVVM

UI/UX & Responsive Design
Responsive Design, Adaptive Layouts, Pixel-perfect UI Implementation

Tools & Platforms
Git, GitHub, Postman

EDUCATION

B.Tech in Computer Science & Design, R R Institute of Modern Technology	2021 – 2025 Lucknow, India
